Kits and Charts

All of our designs are available as cross stitch kits or charts. Prices vary and can be found on our price list. All measurements within this catalogue use 14 count aida. Please contact us if the kit price is not on the price list. For a kit, add -K to the end of the product code.

Kits include:

- Generous measurement of your choice of fabric (most of our kits are supplied with 14 Count Aida, ask for others).
- DMC threads pre-sorted onto labelled organiser card(s). The DMC number is included and we will provide additional thread if you run short.
- High quality blunt tapestry needle
- A full colour picture of the design printed on a colour laser printer for clarity.
- A black and white chart, printed clearly on A4 sheets - no folds.
- Complete beginner instructions if you are not sure how to get started.
- Advice by phone & email if you get stuck on anything.

Charts include:

- A full colour picture of the design printed on a colour laser printer for clarity.
- A black and white chart, printed clearly on A4 sheets - no folds.
- A shopping list of all DMC threads/floss required (ask for a conversion to Anchor).
- Complete beginner instructions if you are not sure how to get started.
- Advice by phone & email if you get stuck on anything.
